

Why participate in the Aviation Art Contest?

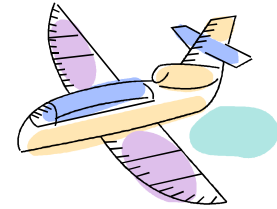

We would like to get your participation in the Annual Aviation Awareness Art Contest for two very important reasons:

1. We want to make the students aware that there are career opportunities in the field of aviation and aerospace.
2. We also hope that the students will receive some background information to help broaden their awareness of the importance of aviation/aerospace in our country's history and economy.

Draw something about aviation or aerospace.
